## INTERSTATE 5 CORRIDOR

# You're invited . . .

**The California Department of Transportation (Caltrans) is holding a series of "Public Scoping Meetings" to discuss possible improvements to Interstate 5 from the community of University City to the city of Oceanside.**

All meetings are from 4-8 p.m. at the following locations:

Wed., Jan. 7 Carlsbad Library - George & Patricia Gowland Meeting Room - 1775 Dove Lane

Tue., Jan. 13 Oceanside High School - Multi Purpose Room - 100 S. Horn St.

Tue., Jan 27 Encinitas Community Center - Room 142B - 1140 Oakcrest Park Dr.

**Tue., Feb. 10 Solana Beach City Hall - Council Chambers - 635 South Highway 101**

Tue., Feb. 17 Del Mar City Hall - Council Chambers Room 1050 Camino Del Mar

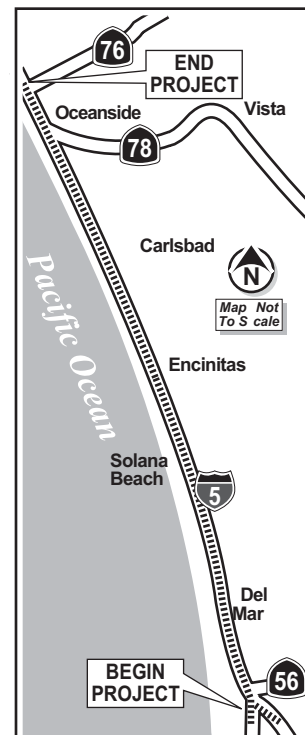

Tue., March 2 San Diego - Westfield Shopping Town UTC - Forum Hall behind Wells Fargo Bank

The meetings for this freeway project will be held in communities along the corridor. It will be held in an open house format, allowing area residents and business owners to get early information, to ask questions and provide input regarding project alternatives, funding sources, potential impacts to their community and the scheduling of construction.

Caltrans is proposing to construct carpool lanes in each direction from Genesee Avenue to Del Mar Heights Road on I-5 and from Mira Mesa Boulevard to the merge on I-805. Caltrans is also proposing to add carpool/Managed lanes in each direction and general purpose lane in each direction from Del Mar Heights Road to Vandergrift Boulevard.

If you need special accommodations (American sign or foreign language interpreter, accessible seating, and documents in alternate formats), please contact the Caltrans Public Information Office, (619) 688-6670 at least 10 days before the meeting. TDD users may contact (619) 688- 3214.

Caltrans Project Manager Arturo Jacobo, (619) 688-6816, and Environmental Analysis Chief Jason A. Reynolds, (858) 616-6609, will be at the meeting to help answer your questions. Contact the Caltrans Public Information Office, (619) 688-6670, for general transportation questions.
